#### Yard Extender System

Our oval pools come with the Yard Extender System, a series of practically invisible lateral supports that you place in the ground. It is a must for anyone who wants to make the most of their yard - and their pool!

### ❖ structure

- 7-inch wide top ledge
- 5 1/2-inch wide upright
- Classic design reminiscent of Greek and Roman architecture
- Top and bottom rails made of steel
- Ledge covers designed to complement the bottom plate

### ❖ Vog-lok™ system

- Pre-grooved parts to make screw installation easy
- Screws lock in place to maintain structural integrity
- Concept exclusive to Vogue

### ❖ wall joint

- Computer-designed wall joint ensures better resistance to water pressure
- Wall reinforced with steel bars
- Oversized bolts augment stability

### ❖ corrugation

A rippled finish lets the wall resist both water pressure and external shocks.

### ❖ water safety

Your above ground pool has been designed to provide you with years of safe, family fun. This entails that water safety must always be taken into account. When used incorrectly, your above ground swimming pool can be dangerous; above ground pools are shallow, and this makes diving and jumping unsafe. To ensure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations.

The dimensions, weights, illustrations and other specifications are approximate.
